Modern house in quiet garden with large POOL, shared with owners

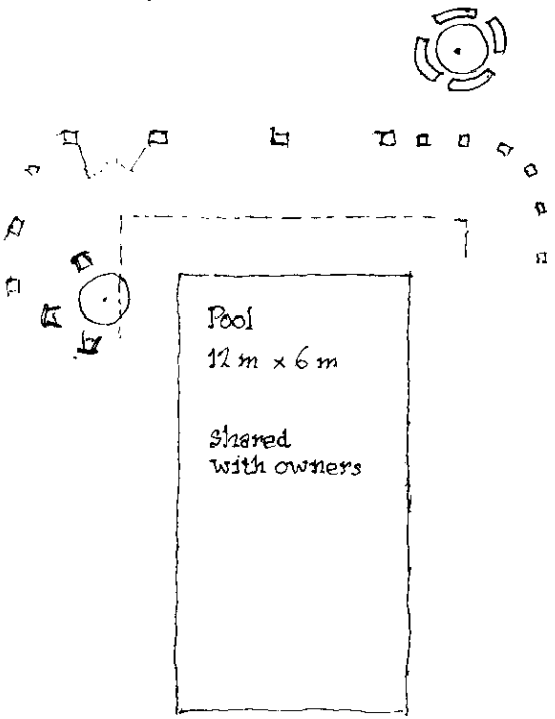

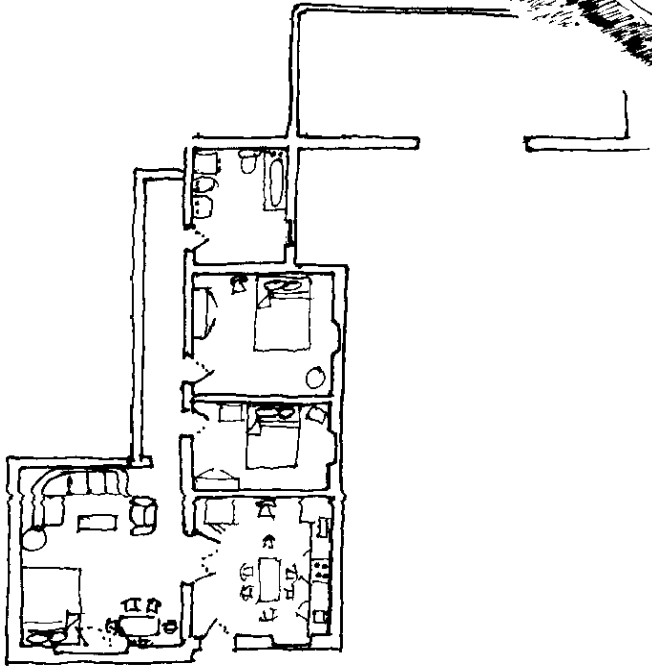

(sleeps 5)

Situated on the edge of the village of Château d'Olonne, which lies just to the east of Les Sables d'Olonne, this immaculate if unstylish dwelling stands in a quiet, spacious garden, overlooking a large private swimming pool (12 x 6m, depth from 1m10 to 2m40), beyond which is the owners' residence, a house of similar appearance but somewhat larger.

The tenants' house is entered by a good-sized kitchen with 4-ring hob with extractor fan, small electric oven, sink, fridge, cupboards etc and a good sized table. This leads to a spacious living room, also overlooking the pool, with large corner sofa and matching armchair, dining table and chairs, and large spare bed, leading to a corridor and two bedrooms, each with 1m40 double bed, wardrobes etc. At the end is a well-tiled bathroom with bath (with shower), basin, bidet, WC and washing machine. To one side (L) of the house is generous space for parking and a large covered area for drying washing, to the other, a small "boulodrome" for playing pétanque. The house opens to a tarred pathway with stone table and benches, and gate into fenced pool area with lawn, and small paved path around pool. Poolside table and chairs (and parasol) on the lawn are reserved for tenants – the owners have their own.

The fine beaches for which Les Sables d'Olonne take their name are within about 2km, and baker, café etc within 500 metres, and also within 1km.
